## Medicaid

---

### WHAT IS IT?

Medicaid is a jointly funded, Federal-State health insurance program for low-income and needy people.

### HOW IS IT FUNDED?

Medicaid is financed through a combination of federal and state funds. The federal dollars vary from year to year based on facts like the per capita income.

### WHAT DOES IT COVER?

It covers children, pregnant women, the aged, blind, and/or disabled people.

### WHO CAN GET IT?

All Georgia Medicaid beneficiaries must be US citizens or legal residents for 5 years.

## PeachCare

---

Also known as Georgia's Children's Health Insurance Program (CHIP)

### WHAT IS IT?

CHIP is a federal assistance program that helps states provide insurance for low-income children whose families make too much to allow them to qualify for Medicaid coverage, but make too little to provide the insurance on their own.

### HOW IS IT FUNDED?

As of October 1, 2015 the federal government pays 100% of Georgia's CHIP costs. This includes service and administrative costs.

### WHAT DOES IT COVER?

In Georgia, CHIP covers children of families earning at or below 252% of the federal poverty level (FPL) (that's at or below \$61,110 for a family of four)

### WHO CAN GET IT?

In Georgia, CHIP covers primary, preventive, specialty, dental and vision care for enrolled children ages 18 and under. In addition, the insurance covers hospitalization, emergency room visits, prescription medications and mental health care.
