

BRAND LOGO STYLE GUIDE

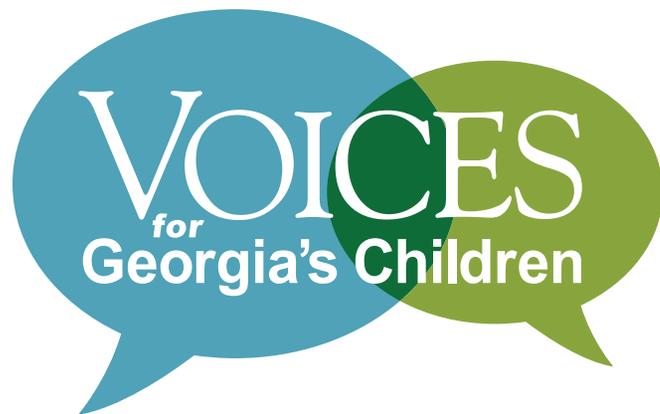

Established in 2003, Voices for Georgia's Children is a nonprofit organization that advocates for the well-being of children and youth across the state and inspires Georgians – both legislators and everyday citizens – to act on their behalf. Voices for Georgia's Children provides the necessary research-based information, measures, collective voice and proposed legislation to help guide these decision-makers in the right direction – that is, supporting policies that ensure Georgia's children grow up safe, healthy, educated, connected to their family and community, and employable.

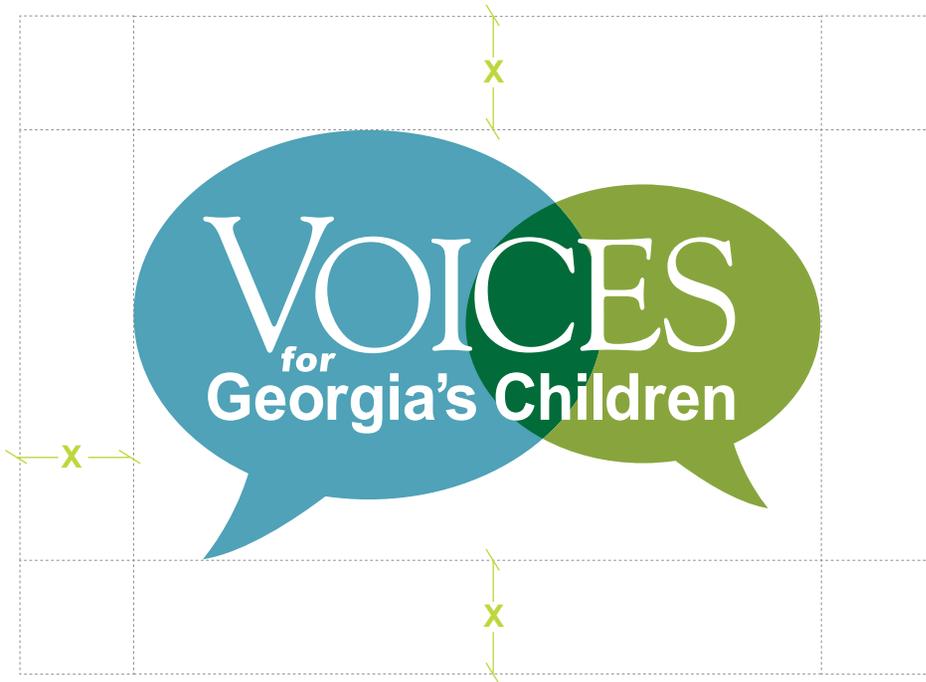

Voices is an independent, nonpartisan organization affiliated with Voices for America's Children in Washington, DC. In addition, Voices leads several collaborative advocacy groups, including the Georgia Birth to Five Coalition, the Georgia Child Advocacy Network (GA-CAN!) and JUSTGeorgia.
