

House and Senate Leadership — 2015

Of the 180 members of the House of Representatives, Republicans hold 119 seats and Democrats hold 61 seats. The Senate has 56 members, comprised of 38 Republicans and 18 Democrats. For each chamber, a simple majority vote requires 50% plus 1 vote. That means 91 “yea” votes for passage in the House and 29 “yea” votes for the Senate. Each Chamber requires a 2/3 majority vote to pass a constitutional amendment. That means 120 votes in the House and 38 in the Senate.

House
