

Positive Behavioral Interventions and Supports

PBIS is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase the sense of safety, and support improved academic outcomes in schools.

PBIS schools apply a multi-tiered approach to prevention, using disciplinary data and principles of behavior analysis to develop schoolwide, targeted, and individualized interventions and supports to improve school climate for all students.

Tier 1: Standards-based instruction, universal screening, progress monitoring, and direct behavioral instruction provided to all students

Tier 2: Designed for students who are accessing but not responding to Tier 1 supports

Tier 3: Intensive/Individualized support systems provided for students who exhibit patterns of severe or extreme behavior

Tier 4: Designed for students who do not respond to Tier 3 supports
