Health and Behavioral Health

HB 4 (Scott-76th)  Bill Link
Requires the Department of Behavioral Health and Developmental Disabilities to create, operate, and maintain an electronic inpatient psychiatric bed registry.
Status: House Health Committee

HB 5 (Scott-76th)  Bill Link
Requires the University System of Georgia and the Technical College System of Georgia to make menstrual hygiene products available at no cost to students in certain facilities or portions of facilities of institutions.
Status: House Higher Education Committee

HB 6 (Scott-76th)  Bill Link
Provides for the submission of a waiver request by the Department of Human Services to permit the recipients of certain public assistance benefits to use such benefits for the purpose of purchasing diapers or menstrual hygiene products if the United States Department of Agriculture Food and Nutrition Service makes such waiver available to states.
Status: House Public Health Committee

HB 7 (Scott-76th)  Bill Link
Establishes a school-linked behavioral health grant program to provide early identification of and intervention for students with mental health or substance use disorder needs and to build the capacity of K-12 schools to support students with mental health or substance use disorder needs in the classroom.
Status: House Health Committee

HB 9 (Scott-76th)  Bill Link
Statutorily requires DBHDD to create, operate, and maintain the Georgia Crisis and Access Line, collect certain data and requires any state-operated registry of available inpatient psychiatric beds, crisis residential beds, or substance use disorder beds to report data for purposes of the access line.
Status: House Health Committee

HB 16 (Thomas-65th)  Bill Link
Extends the sunset provision relating to the use of sick leave for the care of immediate family members to July 1, 2026.
Status: House Industry and Labor Committee

HB 37 (Beverly-143rd)  Bill Link
Requires the Department of Community Health to mitigate the potential loss of Medicaid coverage caused by the discontinuation of the continuous enrollment condition of the federal Families First Coronavirus Response Act by providing, continuing, and expanding services; and to improve training, processes, technology and communication to that end.
Status: House Public Health Committee

HB 38 (Beverly-143rd)  Bill Link
Expands Medicaid to cover eligibility up to a maximum of 138 percent of the federal poverty level.
Status: House Public Health Committee

HB 41 (Lim-98th)  Bill Link
Requires that when a person is committed involuntarily for emergency involuntary treatment for mental health and alcohol and drug dependency, the physician’s certificate or affidavits shall be affixed to the court order; Personally identifying the affiants shall be redacted and concealed in these instances.
Status: House Public Health Committee
