What to Say When You Call

Please vote **YES** to House Bill 404, the Safe at Home Act, when it comes to the Senate floor for a vote. In 2021, 20% of foster care placements cite inadequate housing as a reason for removal of a child from the home. Children who experience housing instability, unsafe homes, or homelessness often also struggle with asthma; school attendance, learning, and completion; as well as fear and trauma resulting from the insecurity caused by where they are going to sleep at night. This bill ensures that landlords, in various rental agreements, will maintain habitability for tenants, sets a maximum security deposit amount, and sets procedure for breach of conduct. Thank you for your thoughtfulness on behalf of Georgia’s children with regards to this bill.
