HB 213  (Dempsey-13th)  Bill Link
Revises provisions relating to required information given to parents of students in K-12 schools stating that if a local board of education provides information on immunizations, infectious diseases, medications, or other school health issues to parents and guardians, then certain information about influenza disease and its vaccine and the vaccine for meningococcal meningitis disease must be included.

HB 214  (Powell-33rd)  Bill Link
Authorizes advanced practice registered nurses and physician assistants to execute affidavits certifying an individual is disabled for purposes of obtaining special vehicle decals for persons with disabilities, to prescribe Schedule II controlled substances under certain conditions and with certain training. The bill also provides for automatic approval of identical job descriptions under certain conditions.
Status: House Health Committee

HB 216  (Lim-98th)  Bill Link
Allows for awards made from the Georgia Crime Victims Emergency Fund to sexual assault survivors for medical treatment or counseling.
Status: House Judiciary Non-Civil Committee

HB 226  (Cooper-45th)  Bill Link
Allows the Department of Community Health to submit a waiver request to the Centers for Medicare and Medicaid Services of the U.S. Health Department of Health and Human Services for the purpose of providing Medicaid coverage for HIV treatment services. Eligible individuals must have an HIV diagnosis, an income less than 138 percent of the federal poverty level, and no health insurance.

HB 233  (Scott-76th)  Bill Link
Provides for mental health treatment alternatives to imprisonment and for mental health treatment options (while imprisoned) for a defendant who has pleaded guilty or nolo contendere to, or has been convicted of a felony or misdemeanor, and who currently is, or at any prior time was, eligible for public mental health services due to a diagnosed serious mental illness or who currently is, or at any prior time was, eligible for Social Security Disability Insurance benefits due to a diagnosed serious mental illness.
Status: House Public Safety and Homeland Security Committee

HB 234  (Scott-76th)  Bill Link
Requires that within 48 hours of taking custody of a person for or within a penal institution, and at any other time thereafter where there is reasonable cause to believe that such person has a mental illness, a custodian shall have a physician of a facility to evaluate such person for mental illness.
Status: House Public Safety and Homeland Security Committee

HB 257  (Schofield-63rd)  Bill Link
Prohibits feminine hygiene products containing restricted substances from being distributed, sold, or offered for sale in this state.
Status: House Public Health Committee

HB 258  (Schofield-63rd)  Bill Link
Starting January 1, 2024, each package or box containing menstrual products sold in this state shall include a plain and conspicuous printed list of all ingredients which shall be listed in order of predominance.
Status: House Public Health Committee
