Reestablishes the Criminal Case Data Exchange Board, which was previously under the Criminal Justice Coordinating Council and later the Council of Superior Court Clerks, to a board under the Judicial Council and its Administrative Office of the Courts. The board continues to have 19 members and meetings can be called to order by the chairperson of the board, the designee to the board from the Judicial Council, the chief justice of the Supreme Court of Georgia, or the governor. The board must fulfill multiple duties, including participation in the review and improvement of the state's criminal case data exchange and management systems; make recommendations for the improvement of data sharing for the benefit of the public, employers, and law enforcement; provide regular advice and counsel to the Judicial Council of Georgia; regularly review and update uniform standards; and prepare a report by October 1 of each year detailing the board's progress, which will be sent to multiple parties, including the chairs of the Senate Judiciary Committee, the House Judiciary Committee, House Judiciary Non-Civil Committee, the Senate Appropriations Committee, and the House Appropriations Committee, by October 10 of each year. The board will be required to conduct a review with experts in the field of criminal justice on the feasibility of a system for tracking and analyzing criminal history data related to recidivism, criminal plea agreements, and immunity defenses. The feasibility study will include a review of a system to track charges pertaining to human trafficking, and whether those charges resulted in convictions or resulted in pleas of lesser or related charges. This review will be required to be completed by December 1, 2024, at which point the board will deliver it to the required parties in the legislative, executive, and judicial branches.
