Recognize Reduction in ABD Medicaid ($74.65 Million), LIM ($74.25 Million), and PeachCare ($624,600) from HB 81 (2021 Session) to reflect the temporary Federal Medical Assistance Percentage (FMAP) increase provided by the COVID-19 Public Health Emergency (PHE) through December 31, 2023 (ABD Medicaid)

Recognize $65.46 Million from HB 81 (2021 Session) and Add $52.22 Million in new dollars to implement the Georgia Pathways to Coverage program established by the Patients First Act (2019 Session), effective July 1, 2023 (LIM)

Georgia Board of Healthcare Workforce (GBHW) (administratively attached to DCH)

$180,000 Added for additional staff and technology to assist with loan repayment program expansion.

$100,000 Added for one-time funding for a statewide Neurology assessment to evaluate current and future needs.

$2.01 Million Added for 116 new residency slots in primary care medicine.

$225,000 Added for three Graduate Medical Education (GME) feasibility grants to assist hospitals in establishing or expanding GME programs. The governor had asked for an addition of $375,000 and 5 grants. The Conference Committee compromised at 3.

$153,352 Transferred from the Morehouse School of Medicine Grant program to GBHW Graduate Medical Education program for nine psychiatry residency slots and provide funds for one additional psychiatry resident position.

$240,000 Transferred from the Georgia Board of Health Care Workforce: Morehouse School of Medicine Grant program to the GBHW Graduate Medical Education program for child and adolescent psychiatry fellowship positions.

$35,000 Eliminated one-time funds for a statewide dental workforce assessment.

$432,338 Added for child and adolescent psychiatry fellows at the Medical College of Georgia. The House had added $648,507 but the Senate reduced it, then the Conference Committee compromised.

$150,000 Added for a Maternal Fetal Medicine fellowship at the Medical College of Georgia.

$240,000 Added to support the start-up of a new rural OB/GYN graduate medical education program to address maternity care deserts in rural Georgia at Morehouse School of Medicine.
