SB 20  (Kirkpatrick-32nd)  Bill Link
"Surprise Billing Consumer Protection Act" - Requires insurers to contract with and maintain a sufficient and appropriate number of participating network providers. Additionally, insurers are prohibited from denying preauthorization of services that were rendered by an in-network provider because the referring provider is out-of-network. The bill gives the insurance commissioner authority to review network adequacy.
Status:  [PASSED SENATE, PASSED HOUSE] Awaits consideration by the governor.

SB 23  (Kirkpatrick-32nd)  Bill Link
Amends the Code by revising committee names and authority titles while also repealing specific inactive authorities, committees, advisory councils, offices, and commissions. The bill specifies how assets of certain entities are devolved following repeal. Senate Bill 23 also defines the Georgia Data Analytic Center (GDAC) as an agent of all executive state agencies that shares and receives government information. Executive state agencies shall cooperate with GDAC requests for receipt of or access to data unless an Office of Planning and Budget review upon consultation of the chairpersons of the Senate and House appropriations committees determines and explains that the request would result in a violation of law. Sharing of data to and from GDAC does not constitute a disclosure or release under law, and any confidential or privileged designation of government information shall be maintained when sharing with GDAC.
Status:  [PASSED SENATE, PASSED HOUSE] Awaits consideration by the governor.
