SB 109  (Echols-49th)  Bill Link
Prohibits insurers from denying coverage of an in-network provider for provider administered medication or the administration of such medication under certain circumstances. The bill requires the Department of Community Health to cover continuous glucose monitors through Medicaid as a pharmacy benefit. Eligibility for coverage includes a diagnosis of diabetes mellitus and patient or caregiver training. Additionally, a patient must have use of daily insulin or a history of problematic hypoglycemia to receive the benefit. An in-person or telehealth visit is required within six months prior to and every six months after initial prescription.
Status: PASSED SENATE. PASSED HOUSE. The Senate failed to agree to changes the House made and therefore the bill DID NOT PASS.
