Fiscal Year 2024 Budget
FINAL following Governor’s review
Total: $32.45 Billion

Red with strike through indicates that the Governor instructed the agency to disregard the line item. For funding, “disregard” means that the agency will not implement that particular spend at this time. For budget direction, “disregard” means that the agency should ignore the direction. In addition, there are some items that have been actually vetoed, which means that the money will definitely not be spent for the purpose of that line item at all.
