COMMUNITY

Our communities are filled with local helpers, leaders and heroes. Define what a [community helper](#) is and play a game of [Community Helper Bingo](#) to help students identify them.

ABC ORDER

Give each student a letter and **use the alphabet** to introduce students to new community helpers. For example, 'P' is for police officers, plumbers, and our amazing **Pre-K teachers.**

FARM TO ECE

Farmers, truck drivers, grocers & cooks get food from farms & gardens to our plates. **Make a [colorful culinary recipe](#)** provided by Small Bites Adventure Club & watch their [Meet the Farmer](#) videos.

DRESS UP

Invite students to **dress up** as their favorite community helper. **Lead a parade** around the classroom with [mini megaphones](#). **Role playing** will also enhance their imagination & communication.

CH-CH-CHEER FOR DIGRAPH SOUNDS

Introduce [digraph sounds](#) starting with this year's book title 'Cheer'. Learn to spell fun new words like **chair, chop, choose and chip.**
